Writing- our names, making meaningful marks. Focus books- For Every Child, Pete the Cat, Our Class is a Family, The Colours of Us, Baby's First Family Photo, In Every House on Every Street, Houses and Homes, The Three Little Pigs

SDG 4 Quality Education

Rights Respecting Curriculum Aims of Education

We will be learning all about how children have the right to an education and what behaviours we can all do to ensure everyone can learn well.

In Personal, Social and Emotional Development

We will be creating a class charter, know the importance of listening and know how to be a good friend.

In Maths

Sorting and Grouping.
Subitising- recognising small quantities in random arrangements, Counting and recognising digits to 5, recognising/ naming 2D, recognising patterns.

In Understanding the World

We are learning about our families and we are looking at the buildings in the village and identifying features of old buildings.
We are learning our names and addresses and identifying what makes a village and a community.
We will be learning about the process of maturing and body parts and learning about Autumn and the changes to the environment during this season.

In RE

We are learning that Christians believe God is a VIP.

In Communication and Language

We are learning what manners are and how to use them and learning how to ask for help and how to follow a set of instructions.
In French we will be learning greetings.

In Expressive Arts and Design

We are learning how to enclose space to make paintings or drawings and colour mixing.
And we are learning to sing a range of familiar nursery rhymes and songs and a new song called 'I've Got a Grumpy Face'

In Physical Development

We are developing our core strength and spatial awareness using apparatus and we are learning how to get changed for PE.

Other News

PE days are Tuesday for Mrs Heal's class and Wednesday for Mrs Woodward. Please ensure your child has an indoor PE kit, with shorts, T-shirt and plimsoles, as well as an outdoor PE kit with trackie bottoms, sweatshirt and trainers. It is essential all uniform and kit is named.

Homework:

Daily reading - Please can you ensure you read with your child three times a week and record this on the Boom reader app which you have the login info in your reading folder.

The Boom Reader records will be checked weekly on a Friday and books will be changed on a Friday also. Your child will have an 'I read' book which they can read to you. The initial book will be wordless so they can tell you a story. They will have a 'we read' book which you can share the decoding of and a 'you read' book which is a library book to be read by an adult to your child sharing the pictures and story.

Doodle maths will have a task set each week to complete which is linked to our classroom learning and then your child needs to complete 5 mins a day to try and keep in the green zone. We give a weekly award for the child who has put in the most effort.

Our maths parent session is scheduled for after school on October 7th.
