

YEAR 4 SUMMER TERM ONE

1 NO POVERTY

Welcome to our class newsletter for this half term.
We are excited to share with you our learning journey.

In English...

We will be using a CLPE book to explore a different version of a well-known fairy tale. We will take an in-depth look at character description and their relationships. We will also be using our inferencing skills and predication skills.

In Maths...

We will be looking at the relationship between decimals and fractions. We will continue to practice our multiplication tables. There will also be a focus of reading the time and using money.

In Science...

This half term, we will be learning about electricity and finding out about circuits and conductors.

In Online Safety...

We will be looking at the ways we can have fun and stay safe on online social environments and stay respectful to others.

In History...

We will be learning about the Ancient Benin and what their artefacts tell us about their lives.

In Art...

We will be looking at different sculptors and experimenting with clay to create a clay pot using pinch and coil techniques.

In PE...

We will be using our skill set to develop a sequence of actions and developing our flexibility, strength and control.

We will be learning about how to eradicate poverty.

In Computing...

We will be learning how to use graphics, animations and sound to generate an information pack in Power point.

In French...

We will be learning the names of 10 common pets. By the end of the unit the children will be able to present both written and orally about the pets they do/do not have.

In Geography...

This term we will focus on fieldwork, how to use an eight point compass. We will also look at how physical and human features impact lives.

In DT...

We will be researching, developing and preparing a healthy savory dish.

In Religious Education...

We will continue to look at Sikhism and learn more about the Gurus and their teachings.

In Music...

We will be looking at music in films and identify some of the common features. We will also look to compose a piece of music ourselves.

In PSHE ...

We will continue to look at money management, how we can buy items and services and what we spend our money on. We will also be looking at the human lifecycle.

Other News:

PE

PE days are Mondays and Thursdays. Please ensure your child has their PE kit on these days.

Homework

Important

Please ensure your child brings a water bottle and waterproof coat to school every day.

We encourage children to bring a pencil case to school, including the following:

- pencils
- ruler
- rubber
- sharpener
- coloured pencils
- whiteboard pen
- glue stick
