

### SDG 6 Clean Water and Sanitation

We will be learning about the importance of conserving water and its importance on our health.

Welcome to our class newsletter for this half term. We are excited to share with you our learning journey.

#### In English...

Using our CLPE class text, we will be looking closely at character description and how the author's choice of words helps us to understand the characters and their actions in the story. We will be focusing on the use of adverb and adverbial phrases to improve our sentence structures.

#### In Maths...

This term will be looking at the relationship between multiplication and division and how to answer word problems using these methods.

#### In Computing...

We will be learning to edit digital content to appreciate that images we see may not be factual images.

#### In Science...

We will investigate states of matter and the water cycle.

#### In French...

We will be learning how to answer the question, 'What do you have in our pencil case' with our knowledge of determiners for objects and the different types of objects in the classroom.

#### In Geography...

We will be looking at rivers and how they impact our lives and use our knowledge of the water cycle.

#### In History...

We will be learning how the Ancient Romans have impacted our lives.

#### In DT...

We will be learning how pulleys are used and the mechanical advantage they give us.

#### In Art...

We will learn how to represent ideas and emotions through weaving.

#### In Religious Education...

We are learning about Sikhism and their major celebrations.

#### In Music...

We will be finding out how different instruments can be used to represent different characteristics.

#### In PE...

We will be playing hockey and tennis and how to use different points of balance in gymnastics.

#### In PSHE ...

We will be looking at our hopes and dreams and how to contribute to these.

## Other News:

### PE

PE days are Mondays and Wednesdays. Please ensure your child has their PE kit on these days. It would also be useful to have an extra pair of socks in their PE bags.

### Homework

Children in Year 4 should read for 15 minutes a day to ensure that they build on their vocabulary and stamina for reading. They will also gain ideas for their writing from reading. Doodlemaths and tables to be completed for 15 minutes daily. Spellings are given out at the start of the week and children will be tested on these the following week.

### Important

Please ensure your child brings a water bottle and waterproof coat to school every day.

Please remind your children to bring a pencil case to school, including the following:

- pencils
- ruler
- rubber
- sharpener
- coloured pencils
- whiteboard pen

If you need to contact the Year 4 team, please email [year4@buckdenacademy.org](mailto:year4@buckdenacademy.org)
