

Welcome to our class letter for this half term. We are excited to share our learning journey with you.

In English

We are reading *The Viewer* written by Gary Crew and illustrated by Shaun Tan. We are exploring, interpreting and responding to illustrations, then writing our own stories based on real life experiences.

We will continue to revise SPAG learning and complete a range of Reading Comprehension that covers a variety of genres.

SDG 6 Clean Water & Sanitation

We will be learning about and answering the question... What human activity can happen with water?

In Maths

We are continuing to work on solving problems using fractions, decimals and percentages, as well as learning about ratio and proportion and introducing algebra.

In RE

We are learning about what kind of King Jesus was.

In Science

We are learning about living things, their habitats and how to correctly group them.

In PSHE

We will be learning about our goals and dreams.

In Geography

We are exploring how river systems have an impact on human activity.

In History

We are learning about the role of the Nile in Ancient Egyptian life and how they used this for sanitation purposes.

In Art

We are learning about the artist David Hockney and using his work to inspire us to create pieces of our own.

In French

We are learning the names of different occupations.

In Music

We are learning how identity can be expressed in song writing.

In PE

We will be learning the skills necessary to play games of Hockey. We are also learning how to play NFL Flag.

In Computing and Online Safety

We are going to learn about algorithms and will sequence a set of instructions.
