

How can I make a piece of art using the technique of silhouette making?

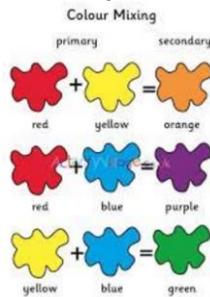

Learn about the German animation artist, Lotte Reiniger. Look at her work and see how she uses silhouettes against backgrounds to make images.

Use colour wash technique with powder paints to create a background. We practiced this skill in Autumn 1 term.

Colour mixing- dip it, tickle it, mix it technique.

Create silhouette shapes for chosen fairy tale using black paper and scissors. We will do some cutting and stamping activities as practice to develop this skill.

Assemble the silhouette onto the background choosing where to place the pieces.
