Once Upon a Time

How can we help others when they need it?

Christians believe in Salvation.

The world is not perfect.

The world has been spoilt by sin (doing wrong).

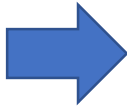

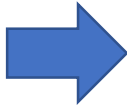

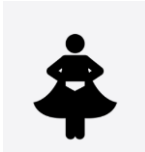

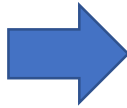

They are committed to rescuing and helping others, just like Jesus.

Christians ask God for forgiveness; they pray for people in need and they tell others that Jesus is a Saviour.

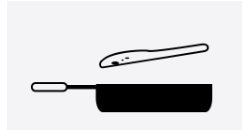

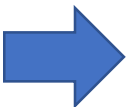

Christians believe

The Bible tells the story of salvation. Jesus came to earth to rescue and help.

Jesus died on the cross for the sins of people and to re-unite people with God.
