

How can I represent the plants and creatures around me through art? What can I learn from other artists work to help me?

Try new techniques similar to the artists style and medium.

Create close observational drawings of nature found.

Claude Monet
 Watercolour/ pencil. Use a view finding frame to focus in upon a landscape. Teach skill of composition.

Andy Goldsworthy
 Using nature to create art pieces and sculptures.
 Teach skill of creating repeating patterns and shapes.

Henri Rousseau
 Observing shapes, textures and colours of leaves. Colour mixing shades of green to match.

Vincent Van Gough
 Observing shapes, textures and colours of flowers. Colour mixing shades of paint to match.

Louise Bourgeois
 Group project to create sculptures of spiders.
