

Map of Buckden's Land Use's

from?

Key

- Farmland
- Road
- Houses

An **allotment** is somewhere made available for gardening.

People can **grow their own produce**, which reduces **carbon footprint**.

Farmland has been sold to help build new homes.

Buckden is surrounded by farms growing **local produce** to support the **local economy**. **£**

Renewable Energy is a **natural source** of energy that will never run out.

Examples include:

Wind

Solar (sun)

Wind and **solar** energy help to create **electricity** from the natural elements in the world. This **reduces** our **carbon footprint**.

FACT TIME

Your **carbon footprint** is the amount of **carbon dioxide** released into the air because of your own needs. For example **electricity** and **transport**.

Vocabulary Tier 2

- | | | |
|----------------|----------|-------------|
| Local | farmland | solar |
| Map | local | electricity |
| United Kingdom | produce | reduce |
| Allotment | wind | transport |

Vocabulary Tier 3

- Carbon footprint
- economy

What can you do?

- Turn off lights
- Walk or cycle to school
