

# PSHE – Year 4 – Life on Land – Why is biodiversity important?

## Prior Learning (What we already know?):

- Change and loss- moving home, losing toys, pets or friends.
- Recognise people who look after them, their family networks, who to go to if they are worried and how to attract their attention.
- That people and other living things have rights and that everyone has responsibilities to protect those rights.
- To help construct, and agree to follow, group, class and school rules and to understand how these rules help them.

## Key Questions:

What does a democracy look like? Consider what our country would be like without democracy.

## Key Facts:

Democracy means ‘**rule by the people**’. It comes from the Greek words **Dêmos**, which means people, and **krátos** which means **rule or strength**. This is because the idea of democracy developed in **Greece** in about 507 BC.

The House of Lords has 786 members who are appointed, not elected. Members of the House of Lords **scrutinise** and debate bills which have passed through the House of Commons and question government parts they are concerned about.

## New Learning:

- To recognise what constitutes a positive, healthy relationship and develop the skills to maintain positive and healthy relationships.
- To recognise and care about people’s feelings and try to see, respect and if necessary constrictively challenge others’ points of view.
- To resolve differences by looking at alternatives, seeing and respecting others’ points of view, making decisions and explaining choices.
- To consider the lives of people living in other places and people with different values and customs.
