

EYFS SUMMER TERM ONE

In Literacy
Phonics- learning ar, or, ur, ow, oi, ear.
Tricky words- today, what, when, come, some, push, pull, friend, school, out.
Focus story books- Bog Baby, Stanley Stick, How to Grow a Sunflower, Yucky Worms, Arghh! Spider! Give Us a Smile Cinderella Big Book of Bugs

SDG 14 and 15
Life Below Water and Life on Land
By exploring our local environments we will learn about animal habitats and how to sustain them.

In Maths
We will be counting beyond 10 then beyond 20 and recognising digits and writing digits.
We will use subitising, addition and subtractions skills to solve calculations within 10 including number bond recall.
We will learn about coins and use money.

In RE
What makes every single person unique and special? Recognising that religions see people as precious.
Raksha Bandham- Hindu festival celebrating love of siblings.

In Personal, Social and Emotional Development
How to care for living things. What can I do in my community to help make it a better environment?

In Understanding the World
We will be learning about animal habitats. We will explore life cycles of caterpillars and spiders. We will be visiting Paxton Pits to pond dip and learn to categorise the wildlife we find.
We will be planting seeds and learning how to encourage their growth.

In Communication and Language
We will be learning new vocabulary around the 'Down and the Bottom of the Garden' theme.
Individual talking time linked to this topic.

In Physical Development
We are revisiting ball skills and small team games- throwing, catching, aiming, kicking, dribbling and striking.

In Expressive Arts and Design

Other News

PE

PE days are continuing to be Tuesdays. We will be going outdoors for this so tracksuits and trainers are needed.

We are planning a visit for the whole of EYFS to Paxton Pits Nature Reserve on Thursday 9th May. For this to go ahead we need several parent helpers. A data collection form for this has been shared with you via Arbor.

Week beginning 1st May we will be starting work on a design technology project to create habitats in a box. We will need many shoe box sized boxes for the children to do this so donations are requested please. This cohort of children are also avid junk modeller's so any additional boxes, lids or containers are always greatly appreciated.
