

## Story Starter

Month: June Year: 3015

Dear diary,

It has now been 2 years since we moved here. Leaving Earth was tough, but we are beginning to feel more at home with every single week that passes.

When we came to our new home, we were allowed to bring everything with us from our Earth homes. It still feels a bit strange though. Life without gravity really takes some getting used to!

- ▶ Can you continue the diary?
- ▶ What is gravity? Can you include descriptions of what it is like to live without it?
- ▶ Where is it that you now live? How is it different from your previous life? How do you spend your time? Do you prefer living in your new home?

## Sentence Challenge

Circle the article(s) in each sentence below.

- ▶ The furniture is glued down to the floor.
- ▶ It's often difficult to move around a house with no gravity.
- ▶ I always wonder if I will ever see an alien.

Can you identify the articles you have used in your writing today?

## Question Time

---

- ▶ If you lived here how would life be different?
- ▶ It is thought that one day it may be possible to live in on another planet. What do you think about this?
- ▶ Is it a good idea? Why do you think humans are looking for ways to live in space or on another planet?
- ▶ How does gravity work? How do we overcome gravity?
- ▶ If living in space, how would you manage to do everyday things like brushing your teeth?

## Sick Sentences

These sentences are 'sick' and need help to get better. Can you help?

- ▶ I float around the room.
- ▶ To move around I push off things with my feet.
- ▶ It feels weird

## Perfect Picture!

---

Can you draw what a classroom in space would look like?

You could include this in your diary entry as well
