

CORONATION DAY

Jane Carr

Come and join the King's parade.
Wave your flags and shout hooray.
Hear the drum and pipers play.
When the King is crowned ...
On Coronation Day.

From right across the land,
The bells will ring for the King.
And all the nation's choirs
Will lift their voices and sing

From right across the land,
The bells will ring for the King.
And all the nation's choirs
Will lift their voices and sing
God Save The King.

Come and join the King's parade.
Wave your flags and shout hooray.
Hear the drum and pipers play.
When the King is crowned ...
On Coronation Day.

Westminster Abbey,
The sixth day of May.
Who will be there to witness this day?
Leaders and Royals from countries afar,
All will bow to the King.

Come and join the King's parade.
Wave your flags and shout hooray.
Hear the drum and pipers play.
When the King is crowned ...
On Coronation Day.
On Coronation Day.
On Coronation Day.
