

# THE WALKING SONG

- 1 If your journey's short you could walk to school,  
Walking can be really cool.  
It can make you fit,  
Have you thought about it?  
You could walk, walk to school.
- 2 If your journey's short you could skip to school,  
Skipping can be really cool.  
It can make you fit,  
Have you thought about it?  
You could skip, skip to school.
- 3 If your journey's short you could scooter to school,  
Scooting can be really cool.  
It can make you fit,  
Have you thought about it?  
You could scoot, scoot to school.
- 4 If your journey's short you could cycle to school,  
Cycling can be really cool.  
It can make you fit,  
Have you thought about it?  
You could cycle, cycle to school.
