

we're GREAT BIG POLAR BEARS

- 1 We're great big polar bears sitting on the ice
And we all think that ice is nice.
We're great big polar bears sitting on the ice
And we all think that ice is nice.

CHORUS *Don't let the ice,
Don't let the ice,
Don't let the ice melt away.*

- 2 It's getting warmer and we're feeling hot,
All this melting has to stop.
It's getting warmer and we're feeling hot,
All this melting has to stop.

CHORUS

- 3 We're great big polar bears sitting on the ice
And we all think that ice is nice.
We're great big polar bears sitting on the ice
And we all think that ice is nice!
