Weekly Round-up

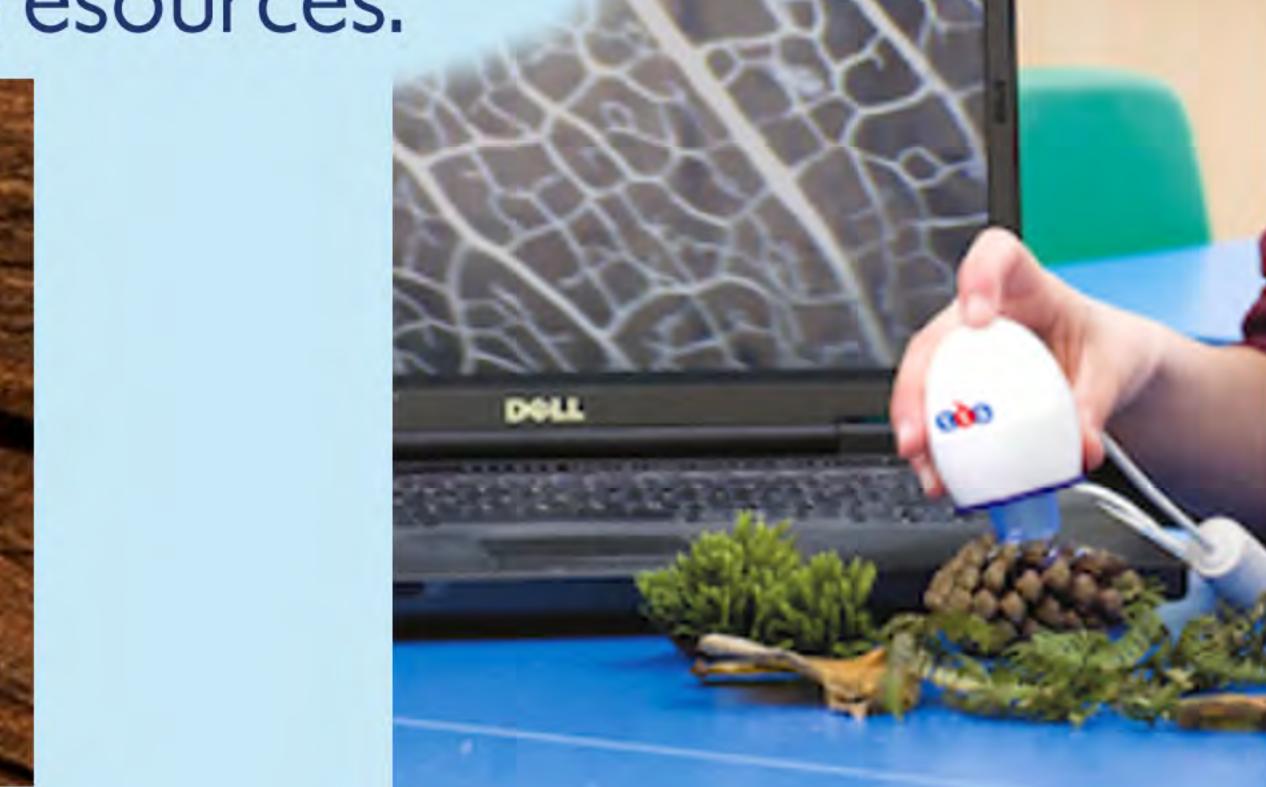

Happy Friday Everyone!

We are delighted to announce that we have been awarded a Local School Nature Grant, thanks to a project run by Learning through Landscapes and funded by the People's Postcode Lottery. Our pupils will be benefitting from a set of good quality planting beds that you can see outside of the library, a collection of CPD books that detail lots of outdoor learning opportunities, a collection of wild flower seeds and 4 Easi-Scopes, all of which will be used to explore and learn about the great outdoors. In addition staff received a 2-hour training session to help children learn outdoors. Outdoor learning is so important for children to, connect with nature, stay active, learn in a different environment and promote their general wellbeing.

We now look forward to implementing the advice and guidance received and using our new resources.

Success at the Panathlon!

This week, a team from Years 3, 4 and 5 attended the Hunts Sports Panathlon. We took part in various activities including Botcha, target shooting, floor basketball and many others. It was lots of fun and most importantly, we cheered each other on and worked brilliantly as a team. We are very proud to announce that our Team came second and were all awarded with Silver medals as well as the beautiful Panathlon trophy and certificate, which has taken pride of place

Go Buckden!

in our welcome area.

BELIEVE IT.

LIVE IT.

With the football World Cup fast approaching, the representatives from Buckden Parliament would like to hold a fundraising fun event. Each year group will have a team board with the 32 teams to be drawn at random for children who choose to enter. Each team selection will be for a £1 donation. The child in each year who draws the winning team will receive a football

as a prize. Everyone will be a winner though, as the money raised will go towards renewing and extending our lunchtime activities equipment so all children will benefit. Additionally, your child can choose to learn more about their selected team and can present what they have learnt to their An additional prize will be awarded by the class MP's to the best

presentation. Presentations to year groups will take place in the week of 12th December. Your child could verbally present or may prefer to make a visual presentation of they are not so keen on public speaking. If your child wishes to be a part of this, please send in your £1 donations in a named envelope to their class teachers by Thursday 17th November so teams can be drawn ahead of the first kick off. Good luck all! From Buckden Parliament On Monday our Year 5 footballers welcomed Eynesbury Primary School to

play a match in the Walter's Cup. It was a fantastic game with lots of excitement and a lot of goals. Great sportsmanship was shown by both sides. We would like to thank Mr Lowin for refereeing the game. The final score was 9-3 to Buckden and we are looking forward to the next round. Thank you to those who came to support.
