

WENDY HOUSE

Wendy

- 1 I wish I had a pretty house,
The smallest ever seen,
With funny little walls and dainty windows.
I wish I had a little house
Just big enough for me,
The kind you find in fairytales and dreams.

CHORUS Lost Boys

*We'll build you a house that is all you could want,
We'll build you the home of your dreams.
We'll do what we can with the things we have found,
This Wendy house is a place for us to make-believe.*

Wendy

- 2 Of course I'll need a lovely door
To welcome people in,
With roses all around in pink and yellow.
And then I think I'd like to have
A roof of mossy green,
The kind you find in fairytales and dreams.

CHORUS (with optional harmony until end)

Wendy

- 3 You've built me such a pretty house,
The smallest ever seen,
With funny little walls and dainty windows.
And now I have a little house
Just big enough for me,
The kind you find in fairytales and dreams.
