Weekly Round-up

Friday 16th 2023

Happy Friday Everyone!

We are very proud of Emily who made the choice to donate her hair to the Little Princess Trust, who are a charity who that provides real hair wigs, free of charge, to children and young people who have lost their own hair through cancer. In addition she also raised for this worthwhile charity £3002 through sponsorship. Emily received a 'Think it' postcard and is the first of our pupils to be awarded the 'Courageous Advocacy'

cup.

THINK IT.

Term times

This week, year 2 had a visit from Maura and Hardeep who kindly donated multiple copies of the book, 'When I Grow Up' a new National Highways book which also has an interactive web site which can be found here: www.whenigrowupbook.co.uk

The book describes different careers and today our discussions were all about the construction industry. If you would like a free copy of the book (suitable for KS1) they are available on the website.

We had a fantastic afternoon of cricket on Monday. A big thank you to Steve Brown and Trevor Mews from the Buckden Cricket Club, who ran the year 5 and y6 tournament and Mr Lowin who ran the y3 and y4 tournament.

If your child is interested in playing cricket outside of school please contact Steve by email stephen.brown21@ntlworld.com or pop along at 6pm on a Thursday evening to the Millennium Field.

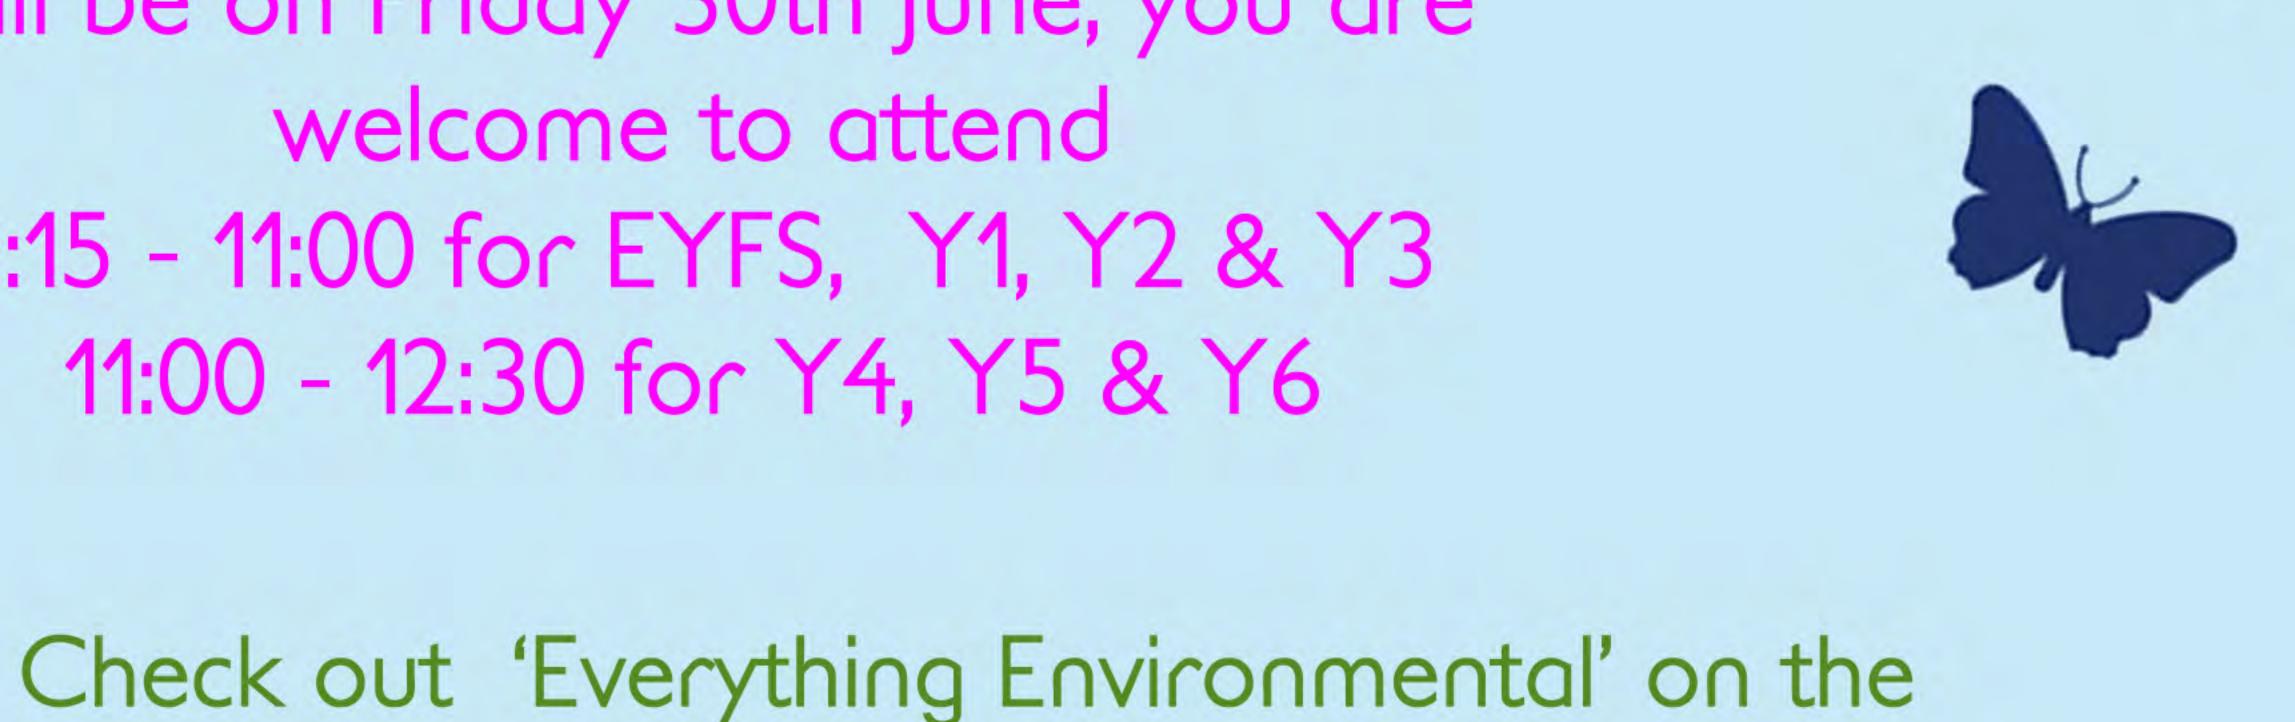

Would you know what to do if you were caught in a rip current? With the weather warming and more of us heading to the beach, sharing this information with your children could save a life! Click this
