

Weekly Round-up

Friday 3rd November 2023

Happy Friday Everyone!

Term Times

We hope you had a restful half term and that you are ready for the upcoming busy weeks leading up to Christmas.

On the Friday of last half term, our Reception children set about creating their own model village of Buckden within their classroom. The day before the children had a virtual tour of the village and looked at the features, amenities and buildings around us. From here, the children then teamed up to decide upon a building they would create from boxes and craft items to add to the village. They learnt how to join the materials and set about their builds. The result was this spectacular model village which the children then enjoyed playing with.

Mini G update!

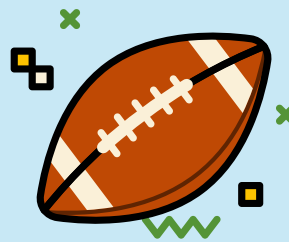

The Mini G club has been hard at work planning and preparing our sculpture.

Over half-term, they drew and painted its patches to match our global goals and it's almost ready to have the students' winning ideas transferred on to.

We have a name for it now too, but we're keeping it a secret for a little longer. It will be announced along with the names of the pupils whose drawings inspired our designs once our Mini G is completed.

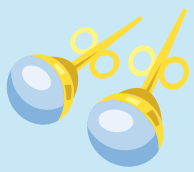

Rugby Tournament

On Tuesday, 12 Year 6s took part in the Hunts School Sports Partnership rugby tournament in St Neots and played phenomenally well.

We had stiff competition, a few exciting matches and some incredible teamwork. We came in third overall and it was well deserved.

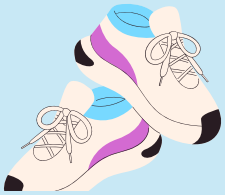

PE - Notices

For the safety of the children,
if your child has their ears pierced please can they
remove their earrings on PE days, however if this is not
possible please can you supply your child with some
microtape so that they can cover up their piercing.

Just a reminder that we would like the children's PE kits in
school at all times, just in case of timetable changes at
the last minute or we have special events happening on a
non PE day.

PE kits can be brought in on a Monday morning
and then if needed can go home on a Friday to
be washed!

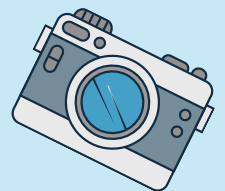

i-d | Image Development

The last date to order your school photos
for **FREE DELIVERY** to school is next
Tuesday - 7th November.

Photo orders will be delivered to school at the
beginning of December and handed out to the
children.

If you would like advice on how you can talk to your
children about the current Gaza crisis and to help
answer any questions they may have, click on the
Unicef logo below for further information.

unicef  | for every child

We have been made aware that children at Buckden Primary are accessing and playing on Roblox and TikTok.

Here is some information to give you more understanding of how to keep you child safe while they are online and the age appropriateness of these sites.

Click on the Logos for more information

A local resident contacted the Parish Council to ask if there had been any thought given to installing Tommy Silhouettes as way of remembering those who have died in conflicts past and present. The Parish Council agreed to purchase three silhouettes, a pair of Tommies and a Woman at War and these will initially be displayed at St Marys church war memorial for the Armistice day service.

After Remembrance day the silhouettes will be moved to the village green for everyone to view. This was suggested by a parishioner and it was thought by the parish council that this would be the best place in the village, so that we could all remember the sacrifices that were made and continue to be made at all times of the year, not only at Remembrance.

Tickets are £8, or £10 on the door.

CLICK HERE

Please note that BOSS will be closed after school on
Wednesday 29th November due to staff training.

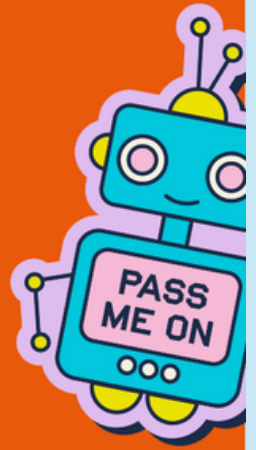

DON'T FORGET!

WE'RE TAKING PART IN

CUT YOUR CARBON

Throughout November, we're challenging all pupils to complete 9 small, carbon-cutting actions, at home, with the help of friends and family.

Completing these challenges will raise awareness, change behaviours, and cut carbon - a greenhouse gas responsible for driving climate change.

All pupils will bring home a checklist on November 1st, outlining the simple, easy-to-deliver actions. This will help you to tick them off throughout the month.

THE TIME TO ACT IS NOW.

IT'S TIME TO
CUT YOUR CARBON!

Live it - Eco tip!

Say no to dryer sheets! They may be convenient but dryer sheets and fabric conditioners contain chemicals that could harm your health, damage the environment, and pollute the air. Instead use a reusable dryer ball and some essential oils when drying your clothes, and you'll have fresh smelling clothes, free of static and wrinkles!

LIVE IT.
