

Weekly Round-up

Friday 17th November 2023

Term Times

Happy Friday Everyone!

Don't forget that today from 3.30 - 4.30 pm we will be holding a book fair in Year 4's Williams classroom, the door to enter is just off the main playground..

You will have the opportunity to buy books and help raise funds for the school to purchase additional books for the school library and the book corners throughout the school.

You will also be able to buy books at the Winter Fair tomorrow.

Click the Book Tree for further details

Can you give Mary and Joseph a place to stay?

If you would like to host one of the “knit-tivity” sets for a few days before, during or after Christmas, please contact bookings@stmarysbuckden.org.uk or sign-up on the list at the back of St Mary's Church.

There are lots of slots available, so please do sign up, giving your name, address, contact number and an idea of when you might like to host a set.

Their journeys over Advent & Christmas symbolise the journey that Mary and Joseph took from

Nazareth to Bethlehem. The “knit-tivity” sets will set off from St Mary's on Advent Sunday December 3rd during the 11am service and will return during the 11am service on Sunday January 7th when we celebrate the Epiphany.

DON'T FORGET!

We are very excited about the PTA Winter Fair this weekend!

There will so many great local stalls coming and lots of great activities planned as well as tasty seasonal food and drink.

We look forward to seeing you all on Saturday between 1pm and 5pm.

We would like to say a very big thank you to our fabulous PTA who are very busy at the moment organising several events!

THANK
YOU
😊

Thank you to Parents for selling and returning all the raffle tickets ready for Raffle Draw at the Buckden Lights switch on and Christmas Market on Sunday 26th November.

All your donations and help is greatly appreciated!

See below details of the Wreath making Workshop on the 30th November.

JOIN US FOR A

DON'T FORGET!

WE'RE TAKING PART IN

CUT YOUR CARBON

Throughout November, we're challenging all pupils to complete 9 small, carbon-cutting actions, at home, with the help of friends and family.

Completing these challenges will raise awareness, change behaviours, and cut carbon - a greenhouse gas responsible for driving climate change.

All pupils will bring home a checklist on November 1st, outlining the simple, easy-to-deliver actions. This will help you to tick them off throughout the month.

THE TIME TO ACT IS NOW.

IT'S TIME TO
CUT YOUR CARBON!

Find out more!

Live it - Eco tip!

Don't use blinds in your home. Heavy curtains will keep in more heat during wintertime, as well as keep the sun out during summertime. This will make your home more energy efficient and prevent waste since most blinds are made out of plastic.

What's going on locally?

Homework

Talk

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.
