Happy Friday Everyone!

Last Friday, 2nd February, 34 pupils from the Young Voices choir travelled down to the OVO Wembley Arena to take part in a huge performance.

They joined 5000 other children and worked hard, rehearsing all afternoon, and performed to a huge audience in the evening, including some of our very own parents who travelled especially for the event.

The children have rehearsed every week since September and the excitement on the day was high; they were joined in the concert by Street Dancers, professional musicians and MC Grammar himself.

Their hardwork paid off and they contributed amazingly.

Well done Young Voices Choir!

Last week our Reception children had an amazing visit to Buckden Towers to explore Winter. The children learnt about ever green and deciduous trees, looked at signs of Spring and searched for evidence of animals. It was a lovely time and the experience put big smiles on all the children's faces. Huge thanks to all the parent helpers who made this possible.

Year 4 participated in a full on Roman day on Wednesday, the children used their imagination to come to school dressed as Romans.

Throughout the day they considered how Roman times has influenced modern day life through a variety of activities, including building an aquaduct, participating as a Roman army and drama work around day to day activities as Romans. Also at the end of the day the children got to taste a variety of Roman foods.

Year 1 had some very exciting visitors this week on Tuesday!

The children had the opportunity to learn about and hold a range of animals.

We were visited by a hissing cockroach, a lesser tenrec, a python, a tarantula, a chameleon and a common tenrec.

All of the children showed great respect to the animals and asked their keeper the very knowledgeable 'Safari Stu' some fabulous questions.

Thank you very much to the PTA for helping to contribute and make the morning a fabulous experience for all.
