Term Times

Happy Friday Everyone!

We hope all the children have had a good week and are looking forward to the Bank Holiday weekend, fingers crossed for good weather! See you all back in school on Tuesday.

You can still donate non-perishable food items to the Godmanchester Food Bank by placing them in the contribution box in the lobby area by the school office.

Thank you for your generosity so far!

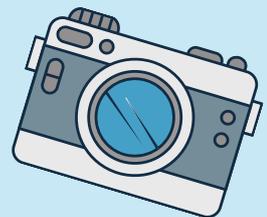

❖ DON'T FORGET ❖  
!!!

Next Friday - 10th May (weather permitting) we are very pleased to welcome back ID Image Development, who will be taking our school class photographs of the children and their teachers.

Please remember to let the school office know if you do not want your child to participate in the class photo. Unfortunately, I-D Image are unable to take multiple or individual photos to accommodate any children who cannot be in the main photo.

## SEND News!

Cambridgeshire  
County Council

Please find below information on a FREE service offered to families in Cambridgeshire. For further details you can also [Click Here!](#)

SCIP is the database for children and young people aged from birth to 25 years who have special needs or a disability and their families.

Through SCIP you will receive:

- Information on activities and support,
- News and events,
- Support network - request information specific to your family's needs via telephone or email,
- SCIP Card - produced for families who on occasion need assistance while out with their child, especially where the condition is not visibly evident, or when a child is reacting to a situation, such as loud noises, or is in an uncomfortable situation and reacting in a way that draws attention.
- Activity Passport - the passport can hold information about your child which you need to share with an activity provider such as Girlguides, Scouts or family fun days etc. You can add information about your child's likes and dislikes, their medication and what to do in an emergency. Having the Passport will mean you don't have to repeat information every time your child goes to an event (you may be asked for additional information from the activity provider i.e. permission to take photos)

## Litter Pickers wanted!

Don't forget - now that the better weather is here that the school has purchased two new litter pickers to loan out to children and parents.

Please contact the school office for further details and to collect the litter pickers.

If you have any pre-school children then Cygnets' is a friendly Stay & Play Session for children aged 0 to 4 years old, together with their parents or carers. Sessions are held at Buckden Towers.

Live it - Eco tip!

Use natural gas instead of charcoal for BBQ's. Charcoal produces tiny particles that pollute the air. By using propane or natural gas instead of charcoal, you won't be contributing to air pollution. Better yet, use an electric grill that is powered by the sun or wind and you'll ready be grilling green!
